HILL CLIMB RACING 2

BILL NEWTON IS BACK!

After journeying to where no ride has gone before, Bill is ready to take on the whole world in Hill Climb Racing multiplayer madness!

Face new unique challenges in awesome new environments, with many different vehicles. Armed with an extensive garage of whacky, self-made vehicles and mastery over the laws of physics, Bill will not rest until he has conquered the highest hills of Climb Canyon.

Bill still likes to take some time off racing to just conquer hills, so the original distance based gameplay is still here to enjoy alongside multiplayer racing!
